The Barn Dance Mindset

PROVERB 3:vs9-10, MALACHI 1-3, MATTHEW 13:vs44; LUKE 12:vs13-21

I will choose a better, biblical worldview to best steward and budget my income by trusting in the leadership of Holy Spirit, whether in lean seasons or in seasons of abundance.

I will consistently commit in my heart to offer my best, first fruits by actively and cheerfully giving my tithes and resources, in proportion to my income and wealth, in order to invest in the mission and vision of the Three Fellowship, partnering in the weekly Kingdom work of preaching, discipleship, prayer, the breaking of bread, evangelism, pastoral care, and the fellowship of the body.

I will pursue a lifestyle of generosity and service to release the blessing of God, the joy of salvation, and the Gospel of Jesus into my home, community, and region - inviting my neighbors into an alive, thriving, treasured relationship with Jesus Christ.
